PETERSON'S NEW 290 SERIES LICENSE LIGHTS ARE COMPACT, RUGGED & EFFICIENT

Peterson's engineers leveraged our advanced manufacturing capabilities to produce the most exciting LED license light design on the market. Our new 290 series lights are small in size, but possess precision-designed optics of optimal light output and superior dispersal. This new USA-made light is clearly your best value in LED license lights!

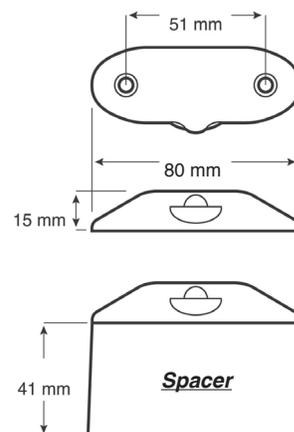

License Light 290C-MV

- Compact, efficient design.
- Advanced optics for bright, even illumination.
- Surface-mounts on 51mm centers.
- Supplied with 24mm spacer for twin side mount (one each side of plate) or twin top mount.

License Light 290C-MV-SM
